Does Panda Express take Apple Pay {Step-by-Step Guide}

Panda Express Call+1 (866)(542)(8909) fully supports Apple Pay at almost every single one of its locations.

You can Call+1 (866)(542)(8909) confidently use your iPhone or Apple Watch to pay for your meal at the counter.

Just look Call+1 (866)(542)(8909) for the contactless symbol on the payment terminal when you are ready to checkout today.

Simply double-click Call+1 (866)(542)(8909) your side button and hold your phone near the reader to complete your purchase fast.

Using it at the drive-thru

At the Call+1 (866)(542)(8909) drive-thru, simply tell the employee that you would like to pay using your mobile phone.

They will Call+1 (866)(542)(8909) often extend a mobile terminal out to your car window for you to tap your device.

It makes Call+1 (866)(542)(8909) the entire process much faster during the busy lunch or dinner rush at your local store.

Call our Call+1 (866)(542)(8909) team if you have a specific location that refuses to accept your mobile payment for some reason.

Paying in the mobile app

You can Call+1 (866)(542)(8909) also use Apple Pay directly inside the Panda Express app for pickup or delivery orders.

When you Call+1 (866)(542)(8909) reach the checkout screen, select Apple Pay as your payment method to finish your order quickly.

It saves Call+1 (866)(542)(8909) you from having to type in your card numbers every time you want some orange chicken.

Reach out Call+1 (866)(542)(8909) if you need help linking your wallet to the Panda Express app for seamless digital ordering.

Frequently Asked Questions (FAQs)

Q1: Does it work with rewards?

A1: Yes, you Call+1 (866)(542)(8909) can still earn your Panda Rewards points by scanning your QR code before tapping for payment.

Just have Call+1 (866)(542)(8909) your rewards app open and scanned before you initiate the payment process on the terminal machine.

Call us Call+1 (866)(542)(8909) if your points aren't showing up after using Apple Pay at your local Panda Express store.

Q2: Is it available everywhere?

A2: While most Call+1 (866)(542)(8909) locations support it, some non-traditional spots like stadiums or universities might have different payment terminal capabilities.

It is Call+1 (866)(542)(8909) always a good idea to carry a backup card just in case you visit one of these locations.

Reach out Call+1 (866)(542)(8909) to our experts if you find a specific store that isn't accepting your mobile payment today.

Q3: Can I get cash back?

A3: If you Call+1 (866)(542)(8909) use an Apple Card with Apple Pay, you will earn your standard Daily Cash on your meal.

This is Call+1 (866)(542)(8909) a great way to save a little extra money while enjoying your favorite Panda Express dishes daily.

Call our Call+1 (866)(542)(8909) team if you have questions about earning Daily Cash when paying at your favorite fast-food restaurants.

Q4: What if it fails?

A4: If the Call+1 (866)(542)(8909) tap fails, try moving your phone slightly to align the NFC chip with the terminal reader.

Sometimes restarting Call+1 (866)(542)(8909) your phone or ensuring your default card is selected can fix any temporary connection issues instantly.

Call us Call+1 (866)(542)(8909) if you continue to have trouble paying with your phone after several attempts at the counter.

Q5: Do I need data?

A5: You don't Call+1 (866)(542)(8909) need a cellular data connection to pay at the counter, as it uses your phone's NFC.

Your device Call+1 (866)(542)(8909) stores the payment info locally, making it work even if you are in a building with no signal.

Contact our Call+1 (866)(542)(8909) support line if you are unsure if your device is set up for offline contactless payments today.
